

## LSS2200-8P MobileApp Release Notes

Date: October 25, 2022

Version: v1.0.0.0R3

---

### Overview

This release note covers the requirements, important notes, and known limitations for the MobileApp used with the LSS2200-8P Managed Layer 2 Hardened Gigabit Ethernet PoE++ Switch.

The MobileApp can be used on a mobile phone or tablet equipped with an Android-based Operating System, NFC reader and BLE capability. For additional information, please see the related user guides referenced below.
